

4/14/2026

Dear Gateway School Community,

Welcome to our Spring Newsletter! As the season changes and brings new energy, we are excited to reflect on the many wonderful experiences our students have enjoyed and to look ahead at the exciting events still to come.

This spring, our school was proud to host a vibrant Art Show, where our talented students showcased their creativity and hard work. It was truly inspiring to see their artistic expressions on display. Congratulations to our Art Teacher, Mr. Tim, on leading the charge!!

We also enjoyed celebrating Easter together, embracing the joy and renewal that this special time of year represents. Our students participated in festive activities that brought smiles and strengthened our school spirit. The Easter Bunny visited and took pictures with students while others participated in an Easter Egg Hunt and enjoyed sweet treats!

A highlight of the season was our visit to the Liberty Science Center in recognition of Autism Awareness Day. This meaningful trip provided students with engaging, hands-on learning experiences while celebrating inclusion and understanding.

Our students have also been actively engaged in STEM Lab activities, where they explore science, technology, engineering, and math through fun, hands-on projects that sparked curiosity and innovation. In addition, our work-based learning experiences in the community have provided valuable opportunities for students to build real-world skills, independence, and confidence.

Additionally, our students have been working diligently on their DLM testing. We are proud of their focus, perseverance, and commitment to doing their best.

Our intramural sports program continues to thrive, with students participating in friendly competitions alongside our sister schools, Harbor and Alpha. These events have been a fantastic way to build teamwork, confidence, and school connections.

As we move toward the end of the school year, we are excited about several upcoming events. We look forward to celebrating our students' talents at the Talent Show on May 21st, enjoying a memorable Prom on June 5th, and honoring our graduates at this year's Graduation ceremony on June 12th.

Thank you for your continued support and partnership. Together, we will finish the school year strong!

Warm regards,

Kevin Jones

Principal
