GATEWAY NEWS ROOM

Miss Erin G1

This month we have been learning about holidays around the world. We learned how different countries celebrate Christmas, such as in France, England and Germany. We have been busy with different exciting trips and Holiday events in school. We went on three field trips over these two months. We enjoyed going to the Bus Stop Diner for lunch and the Jersey Gardens Movie Theater to see the movie Ferdinand. We also really enjoyed going to the Brielle Library to see our art work on display. When we come back from our Holiday Break, we will be learning about the different presidents and how they helped shaped our United States.

Our Student of the Month for November was Montrae!

This December we went on several Holiday themed CBI trips. Our class went to the Baron Arts Center Train Show and went on a scavenger hunt for a variety of objects in the train show. Room 208 went to the AMC movie theater at the jersey Gardens Mall to see Fernand to help the students compare the book to the movie. On the Wednesday before the Holiday break, the high schoolers accompanied our students to the Woodbridge Mall to visit with Santa and work on their social skills with a meal at Wendys.

Ms. K's classroom had a very busy November sand December. We worked hard on learning about different holiday people celebrate at this time of year. All the students loved working on the season related arts and crafts and improving their fine and gross motor skills. We even got to bake some delicious cinnamon rolls. Let's hope next year is as fun and exciting as the last couple weeks!

The students work has been posted around the room for all to see. During ADL, the students has created their own gigner bread house as well as decorated their ugly sweater cookies. Holiday Express was enjoyed by all, and we also are so thankful for all they did for our school. The students had a blast dancing with their friends and seeing Santa Clause. Our Polar Express party created much anticipation and excitement the students had a great time in their pajamas, drinking hot coco and watching the Polar Express movie. A good time was had by all. November we went to the Brite Star Cultural Center visiting the WW1 exhibit. Afterward, we watched Warhorse which gave us a good view of that historic time. Our travels then brought us to Brookdale Community College where we visited the Monmouth Museum. We enjoyed the miniature train show and actively participated in the Astronaut and Egyptian historic exhibits. Finally, Investors Bank came for an instructive banking session on checking.
